

Anguilla

Antigua and Barbuda

Argentina

We had a rainy day, all day long. Amazingly, believers and pastors joined together at parks (under the rain with umbrellas!!) plazas, stadiums, churches, with incredible testimonies. Unity, prayer, salvation, healings, and more.

We had almost 100 cities participating in Argentina.

Christian Hooft vicepresidencia1@aciera.org

Aruba

The world needs a change, transformation and relationship with the Creator.

We are assured that prayer can change everything.

We prayed here in the island of Aruba with a group of 20 or more.

Thank you for your kindly invitation, with a fervent desire to see God hands move in our prayers, I remain.

Be blessed in the Lord.

Bahamas

In The Bahamas we launched and started the 10 days of Prayer together. We met at the Church of God Convention Centre and brought together groups for prayer for over an hour and committed ourselves to GDOP.

- The Church of God National Prayer Commission
- The Bahamas Pentecostal Fellowship
- The Bahamas Auxiliary of The Bible Society, who provided the time in The Word
- The Bahamas Chaplains Commission
- The Bahamas Christian Council

We also contacted pastors in all of the major Islands of The Bahamas to united in Prayer of May 31, 2009.

Barbados

Belize

A testimony that came in before the GDOP.

I am teaching a 7th grade (standard 5) class at a primary school called Buttonwood Bay Nazarene Primary. My students are creating posters to create awareness of the global day of prayer in this area. As well they are all writing prayers to submit to the local Christian station, Integrity Radio here in Belize City, to be shared with the listeners. Slowly they are pledging to dedicate their day to prayer and worship.

We know that this is very, very small in comparison to happenings around the world; however, we just want you to know that we are recognizing the event. We are going to be in the millions around the world dedicating a day to prayer, praise and worship of Jesus Christ our Lord.

British Virgin Islands

Cayman Islands

Chile

Columbia

We thank God because we have managed to run the call of God through the GDOP in Colombia. More than 60,000 Christians united in prayer for Colombia on this Pentecost Sunday May 31 to raise our God across the globe.

Cities like Medellin, Cartagena, Bogota, Cucuta, Sogamoso, Bucaramanga, Valledupar and the Colombian coffee zone accepted the invitation to pray for the healing of the nations and the manifestation of His glory throughout the earth. IT'S EXCITING! We worshiped God by singing HOW GREAT THOU ART and also HOW GREAT IS OUR GOD with the church of Hong Kong live through the transmission of Internet TV.

GLOBAL DAY OF PRAYER for next year is May 23 - 2010 WORKING TOGETHER TO ENCLOSE ALL IN COLOMBIA - A day of worship and prayer for the nations of the earth ... united we can mobilize the heavenly host of Our King and WE COVER TO COLOMBIA TO WORSHIP, PRAYER AND THE GLORY OF GOD ... the heavens are opening and ETERNAL doors ALSO ... THE KING OF GLORY enter our nation and his kingdom will be established throughout the land

Costa Rica

On May 31st, 2009 several mission agencies including, Operation Mobilization, Youth with a Mission, Voice of the Martyrs, FEDEMEC and Wycliffe joined together to celebrate the "Global Day Of Prayer" in Costa Rica.

This initiative began in South Africa and spread like wildfire throughout the world. The invitation was for anyone in any country to join in on that day to pray for the world.

Approximately 50 people prayed for four hours. Our time began with going through the Lord's Prayer line by line and meditating on it. Then each mission agency gave a short presentations, including some video clips and prayer requests.

The rest of the group joined in to pray.

The requests ranged anywhere from praying for Sudan, a country that suffers greatly due to Christian persecution; to praying for the Bible translation initiatives around the world.

Youth with a Mission brought a huge map that covered the entire floor of the room. Each of the participants got to sit on the map and lay their hands on the countries they were praying for.

As we prayed we could sense that "our struggle was not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms." Ephesians 6:12.

Our desire that day was to fight the spiritual battle and see strongholds around the world brought down.

The group was greatly encouraged after our time of prayer and although we will not stop praying for the needs around the world, we look forward to joining efforts once again with other mission agencies and celebrate together the Global Day of Prayer next year.

Cuba

Global Day Of Prayer was amazing. Many pastors and churches answered positively to God's call to meet in one day of repentance and prayer.

In the ten days of prayer 8 denominations participated: Vineyard Church, First Pentecost Church, Open Bible Church, Methodist Church, Evangelical League Church, Free Baptist Church, Betel Church, and the Assembly of God, and 22 Churches received DVD's and CD's information set.

In the GDOP 5 churches became united and prayed together: Vineyard, Methodist, Pentecost, Baptist, and Assembly Church; God surprised me with all these churches and pastors that answered positively to our invitation.

Dominica

I am pleased to inform you that the activities conducted for GDOP 2009 in Dominica went down well. We (my team and I) bought some air time and promoted it, in addition to calling the pastors and asking them to set some time aside during the Sunday morning service.

We had two major gatherings on the Island. One on the far side of the north in Marigot and the other on the west in Salisbury. It was a day to remember.

Paraguay

Peru

Puerto Rico

We had two events here in Puerto Rico this year. One event was a prayer gathering on Saturday May 30. The other event was a 1 hour radio program which was broadcast around the island and to a number of other Caribbean islands.

St Kitts - Nevis

St Lucia

St Vincent and the Grenadines

On Sunday 31st, I had an interview on a local radio Station where I had the privilege to pray for our nation as well as use the **Prayer for the nations**. I also had the host of the program pray several prayers during the 3 hour long program.

In our church that Sunday we dedicated the entire morning service to prayer in which several persons from the congregation prayed specifically for specific needs not only nationally but globally.

I made the nation aware of the significance of the day by radio announcements as well as requesting Pastors to take some time during their service that morning to pray. I am also the host of a program for Children and that day the entire program was dedicated to prayer for and with children.

I was pleased with the result although we started the promotion late. I am hoping that next year will be still better.

Prayer changes things.

Suriname

Trinidad and Tobago

Hundreds of children, youth and adults of seventeen different churches and ministry groups took part in the Global Day of Prayer on the Scarborough Esplanade in Tobago between the hours of three and six p.m. yesterday.

Taking the theme "I believe", they expressed confidence in God as they went before Him in repentance and humility for the sins of the nation. They prayed, praised, worshipped and interceded for different areas including children in danger of being trafficked for gain, sexual purity, drug and other addictions, integrity in public life, unity of the body of Christ.

Pastor Frank Porter YFC Tobago in his exhortation encouraged the group to make their bodies, homes and churches houses of prayer. The Global Day of Prayer continues to be a cross denominational event and this is the fifth year of staging in Tobago.

In Trinidad between the hours of four and seven, the Christian radio station Isaac 98.1 FM their Youth In Focus Ministry had young people on air praying for the nations in keeping with the themes prayed for in Tobago. This was the first year that 98.1 was involved the GDOP. We praise God for what He was able to achieve through us in Trinidad and Tobago for GDOP 2009.
