

## Support GDOPUSA

Global Day of Prayer is a non-profit grassroots movement calling cities and whole nations to unite in a day of repentance and united prayer. These prayers have the power to transform our world and to fill the nations with the glory of God. It is a ministry that is not about us, but about a world in desperate need for His glory and compassionate love.

We welcome your tax-deductible donations. Your gift will help improve communication, help to produce and supply much-needed resources, and help extend the vision outside our own borders.

Make checks payable to Global Day of Prayer and mail to:
